January 29, 2003

Dear Sister,

As the new year 2003 begins, there is a certain excitement regarding the Causes of Beatification of various members of our Congregation. Things are moving (cf. Emilio Vega Garcia's article in INFO Plus, October 21, 2002). With regard to the Cause of Henriette Aymer de la Chevalerie, I am hopeful that this year will see significant advancement.

On behalf of the Task Force for the Beatification of the Good Mother, I want to thank all those who participated in the Logo Contest. I am happy and proud to be able to use our official Logo on the letterhead for the first time. Thank you and congratulations again to Margarita Emilia Herrera of Chile!

In its August 2002 letter, the Task Force for the Beatification of the Good Mother asked all of us to reflect upon our relationship with the Good Mother. The Task Force invited us to "...take time for silence, prayer and reflection on the following questions:

1. How am I challenged by her life?
2. How has her life enriched your spirituality?
3. When do you turn to her? For what things do you ask her for a helping hand?
4. Have you invited people to ask her help? Have they told you anything related to Henriette Aymer?"

The Task Force invited us to share our reflections and experiences of favors from the Good Mother "in writing or in any other way you find convenient." It asked that these reflections and testimonies be sent to the various members of the Task Force by March 1, 2003. The goal is to have a first publication of materials. The persons in charge of gathering the reflections and testimonies are:

- Bernadette Maria Marafon for Latin America (detesscc@yahoo.com.br)
- Christine Inguni for Africa (christine.inguni@bol.com.br)
- Anastasia Puji Hastuti for Asia (ssccbd@attglobal.net)
- Katherine Francis Miller for the United States (srkfmiller@sacredhearts.org)
- Mercedes Bayo for Europe (mercedesbayo@wanadoo.es)

I ask you to please disseminate this information in your area. Depending on your situation, you may want to inform not only the Sisters, but also Brothers, Secular Branch members, Associates, pastoral workers and young people. I will be in Rome from March 15 to the 29 and if you need to send information, you can also send it there to the General Secretariate.

My best wishes for a truly grace filled 2003.

United in the Sacred Hearts,

Katherine Francis Miller
