

# SSCC Ongoing Formation Program, Lima 2010

## Paschal Time, Time of Grace

Dear sisters and brothers:

Warm greetings from Lima, Peru from all the participants in the On-going formation Program for sisters with 3 to 10 years of final vows. We started our experience last April 7 and will be together until next May 7. We, the sisters participating come from different continents, countries and cultures. We are 23 sent by our provinces to **Renew with fidelity and joy our vocation as SS.CC. consecrated women.** We feel

very grateful to have this experience of taking a break in our journey, refreshing, rethinking and become once again encouraged with our Sacred Hearts religious life; and to do all this in the diversity of a very international group, varied and rich in experiences. Rosa Maria Ferreiro, our Superior General is accompanying us as we start this event.

From our provinces of origin we are grateful that you accompany us with your prayer and interest.
