The Secular Branch's Newsletter

February 2014 • Volumen 1

Superior General

The Superior General of the congregation of the Sacred Hearts of Jesus and Mary recently visited the Brothers in California for the purpose of making the Brothers a Delegation of the Congregation. While in La Verne, California, he met with members of the Secular Branch from La Verne, Chino Hills, Oak Hills, Corona, and Yucaipa. It was a great meeting and a time of affirmation for the Secular Branch. He outlined the purpose of the SS.CC for 2014. This also applies to the Secular Branch. The focus for 2014 is St. Damien and Adoration.

(Saint Damien, Patron Saint of People with Leprosy)

The Secular Branch immediately responded to this by planning two forty hours of adoration at Holy name of Mary in La Verne from March 6th to the 8th and in Oak Hills from March 30th to April 1st. All Secular Branch members are invited to both sessions.

Suggestion for Lent:

1. Try to attend mass at least three times a week.
2. Try to make adoration three times a week.
3. Make the Art of Consecration to the Sacred Heart once a week.
4. Unite with Jesus' perspective as he journeyed to Calvary and the Cross.
